Helping Hands

The "Helping Hands" program is all about giving our teachers a helping hand, and we want to make it easy for you to get involved. We're looking for volunteers to assist with tasks like copying, laminating, and cutting, and the best part is, you can do it on your own schedule!

Library

Mrs. Sandner, NPE's Librarian, needs help throughout the school year with checking books in and out, reshelving books, locating research materials, and aiding with any special library projects - such as makerspace activities.

If you would like to be on the library helpers list, please submit the form linked by the QR code and our library chair will reach out soon!

Questions can be sent to library@rocketpta.com.

MakerSpace
