Get To Know The NPE PTA Board! Meet Mindi Parment - Student Activities Chair

My name is Mindi Parment, Student Activities Chair for the NPE PTA. I have a son, Tyson, who is a 5th grader this year. We have loved being a part of the Rocket Family and are going to miss all of the friends we have made these past 4 years!

As student activities chair I get to plan activities like Trunk or Treat, Movie Night and the Family Fun Run. All of these events are centered around the students, and my co chair and I work hard to utilize the members of our very own Student PTA to bring each event to life. Our goal is to organize family friendly events throughout the year for our beloved Rockets! We hope to see you at our next event- Movie Night- Dec 9th, 2022!

Getting Involved, Opportunities To Help

The School Fair Needs You!

Basket Committee

Basket information coming home soon! You can go ahead and get your basket shopping done early this year!

Each grade level will create baskets for our basket raffle at the school fair. Look out for an Amazon wishlist with items we need for each basket. Thank you for all of your help and support, the students love the basket raffle and it wouldn't be possible without you!

Library Helpers

Mrs. Sandner, NPE's Librarian, needs help throughout the school year with checking books in and out, reshelving books, locating research materials, and aiding with any special library projects - such as makerspace activities.

If you would like to be on the library helpers list, please submit the form linked by the QR code and our library chair will reach out soon!

Questions can be sent to library@rocketpta.com.

Silent Auction Help

The School Fair team is already hard at work preparing for the school fair. A big and very visible part of that is the Silent Auction. If you or your company provide a product or service that you would like to donate and have highlighted in the school fair, or if you would like to sponsor an item in the silent auction, please contact Alex McCracken at alexandria.mccracken@hotmail.com.

If you have a few hours to spare and would like to help out the school, we are putting together a team that will contact local businesses asking for donations. This would be either time spent making online requests or visiting your favorite places requesting donations.

Art Classroom Needs!

Ms. Mills needs a lot of yarn for a project. Any craft yarn will do, even leftovers and used skeins/balls. All colors are welcome. She is also still in need of plastic Folgers coffee tubs for paintbrush cleaning.

Yarn and coffee canisters can be left for her in the office or sent in with students.

Helping Hands

The Helping Hands committee relieves teachers and staff of the important non-teaching tasks like photocopying, binding, die cuts, and laminating - giving them more time for instruction. We need and appreciate your help!

Questions can be sent to volunteers@rocketpta.com.
