## Getting Involved, Opportunities To Help

### Nurse Donations

Our school nurse is in need of boys pants for the clinic. If you have any that you can donate then please send them in to Nurse Clara. All sizes are needed.

### Helping Hands

The Helping Hands committee relieves teachers and staff of the important non-teaching tasks like photocopying, binding, die cuts, and laminating - giving them more time for instruction. We need and appreciate your help!

Questions can be sent to [volunteers@rocketpta.com](mailto:volunteers@rocketpta.com).

*"I like doing helping hands because it's one of the easiest ways to help out at school. I can do an hour or two depending on my schedule. After staying at home with my kids because of Covid for a year, I realized how much work and prep the teachers need to do to make the kids learning experience fun and creative. So, my way of helping is to do helping hands. I do some printing, laminating and any other tasks that teachers ask for. Everyone is very friendly and always appreciative." – Jamila Rashid*
